

Two Day Capacity Building Workshop on ECBC

29th& 30th July 2015 at
Kerala Water Authority, Vellayambalam, Thiruvananthapuram

You may be aware that Energy Conservation Building Code (ECBC) has been published by Government of India as per Section 14(p) of Energy Conservation Act, 2001 (EC Act, 2001). Section 15(a) of the EC Act, provides the State government to notify the ECBC. ECBC is a technical code specifying design stage intervention for commercial buildings. With the support of Bureau of Energy Efficiency, Government of India, EMC is organizing series of capacity building programs to the practicing engineers and architects in building sector of State. The first program is scheduled on July 29 and July 30, 2015 at Kerala Water Authority Training Hall, Vellayambalam, Thiruvananthapuram, 10.00 – 17.00 hours.

We request you to nominate 1 or 2 practicing engineers/ architects from your organization, preferably from Southern region (Kollam, Thiruvananthapuram, Pathanamthitta) for participating in this program. The participants for the program are limited to 30 nos and will be selected on first come first serve basis. There is no participation fee for this program. No TA/DA and accommodation will be provided to participants. Please make use of this opportunity by sending back the filled in nomination form so as to reach us before 27th July 2015 by email (emck@keralaenergy.gov.in) /Fax/ post.
