

LiFE (Lifestyle for Environment) was introduced by Hon'ble Prime Minister Shri. Narendra Modi at COP26 in Glasgow on 1 November 2021 as a mass movement for “mindful and deliberate utilization, instead of mindless and destructive consumption” to protect and preserve the environment.

LiFE's aims to nudge individuals and communities to practice a lifestyle that is synchronous with nature and does not harm it. Those who practice such a lifestyle are recognised as **Pro Planet People**. India is the first country to include LiFE in its Nationally Determined Contributions.

Energy Management Centre- Kerala (EMC), under the Department of Power, Government of Kerala which is also the State Designated Agency (SDA) for Bureau of Energy Efficiency (BEE) is working towards the goals that have been envisaged for the LiFE movement.

EMC is organising Energy Conservation and Energy Efficiency related awareness programmes as two phases in the state as per the following guidelines with the support of its stakeholders.

	Phase 1	Phase 2
Programme Name:	“LiFE for Urjja Samrakshan”
