**PROGRAMME ON
ENERGY CONSERVATION**

The Energy Management Centre (EMC) will be organising a one-year-long programme focusing on energy conservation in the year 2021, marking 25 years of its establishment. Various programmes such as awareness campaigns, exhibitions, workshops, energy conservation projects will be held. EMC has invited applications and ideas from government or PSUs or Autonomous institutions, NGOs and cultural organisations. Proposals can be submitted via emck@keralaenergy.gov.in. Last date is November 25.w
