		available and is opened up for private participation based on the Small Hydro Policy 2012 of Government of Kerala vide GO(P) No. 25/2012/PD dated 03.10.2012. The basic criterion for allotment for CPP and IPP is the quoted upfront premium.	up for private participation based on the Small Hydro Policy 2012 of Government of Kerala vide GO(P) No. 25/2012/PD dated 03.10.2012. <u>The basic criterion for allotment for CPP and IPP is the quoted ceiling tariff for respective projects.</u>
2		Nil	Additional Clause: The validity of the shortlist of this RFQ process will be for a period of 3 years from the date of issue of the order with the shortlist. The shortlisted applicants will be eligible for giving proposals in the RFP stage in all the SHP tender processes happening within this period. In future tenders, EMC SHP Cell may, subject to decisions of the Government, invite only Request For Proposals.
5	1.1.9	For allotment of projects (at the RFP stage) where bids are received for development of the project as both CPPs as well as IPPs, the allotment would be considered on the basis of the best bid. If among Proposals received for CPPs/IPP, more than one bid qualifies as the best bid (tie), then Government will go for auction among from the best bids received for the project. Allotment will be made to the one who offer highest premium for a given project.	For allotment of projects (at the RFP stage) where bids are received for development of the project as both CPPs as well as IPPs, the allotment would be considered on the basis of the best bid. If among Proposals received for CPPs/IPP, more than one bid qualifies as the best bid (tie), then Government will go for auction among from the best bids received for the project. <u>Allotment will be made to the one who offer lowest ceiling tariff for a given project.</u>
	11.1 of SHP Policy 2012	The allotment process shall be done in two stages. In the first stage, bidders will submit request for qualification (RFQ), which will be evaluated based on their financial strength. In the second stage, the short-listed applicants will be requested for proposals and bids. For each project, the short-listed applicant will be required to quote for a premium per MW, payable upfront, to the Government.	Clause 11.1 as per revised SHP Policy 2012 vide G.O.(Ms) No. 9/2022/POWER dated 18-06-2022. (Attached with corrigendum)
	11.2 of SHP Policy 2012	The minimum threshold premium shall be Rs.15 Lakhs per MW.	Clause 11.2 as per revised SHP Policy 2012 vide G.O.(Ms) No. 9/2022/POWER dated 18-06-2022. (Attached with corrigendum)

	11.3 of SHP Policy 2012	Projects will be allotted to the bidder making highest bids.	Clause 11.3 as per revised SHP Policy 2012 vide G.O.(Ms) No. 9/2022/POWER dated 18-06-2022. (Attached with corrigendum)
