Office Order No. 02/2025

Ref: - Office Order No. 03/2021 dated 8th April 2021

The Management Review Meeting of the NABL accredited Energy Meter Calibration Laboratory (EMCL), during its meeting held on 30th December 2024, has approved a revision of the fee structure for calibration services as per the office order cited referred above. This revision introduces reduced rates for the calibration of various energy meters, reflecting the laboratory's commitment to providing cost-effective and high-quality services to its stakeholders.

Sl No	Meter Type	Revised Rate (Rs) incl of GST
1	Single Phase Two Wire AC Energy Meter	335
2	Single Phase Two Wire AC NET Energy Meter	665
3	Three Phase Four Wire AC Energy Meter	555
4	Three Phase Four Wire AC NET Energy Meter	1105
5	Three Phase Trivector Active Import & Export (Unidirectional)	1105
6	Three Phase Trivector Active/ Reactive Import/ Export (Bidirectional)	2205

This adjustment is aimed at making our services more accessible while maintaining the highest standards of accuracy and reliability in energy meter calibration. All departments, clients, and stakeholders are requested to adhere to the revised fee structure for all calibration requests submitted on or after the effective date of 01-01-2025.
