

KERALA BAGS SECOND PLACE IN NATIONAL ENERGY CONSERVATION AWARDS 2024

Kerala bagged the second position in the State Energy Efficiency Performance Award at the National Energy Conservation Award (NECA) 2024. In the National Energy Efficiency Index, which assesses the energy efficiency of states and Union Territories, Kerala has been awarded in the Group Two category. This award given by the Ministry of Power also recognizes exemplary projects implemented by the state in the field of energy conservation. Dr. R. Harikumar, Director, Energy Management Center, Kerala, received the award on behalf of the state at New Delhi, where the Vice President of India, Shri. Jagdeep Dhankhar was the chief guest. Along with implementation of best and innovative energy conservation projects, Energy Management Center also organizes energy conservation awareness programs for students, teachers, public, officials of various departments etc.
