

International energy festival begins today

The Hindu Bureau

THIRUVANANTHAPURAM

The second edition of the International Energy Festival of Kerala (IEFK 2025) will open at the Kerala Police Ground, Thycaud, on Friday. Electricity Minister K. Krishnankutty will inaugurate the three-day event, hosted by the Energy Management Centre, Kerala, (EMC) at 2 p.m. This year, IEFK has adopted the theme 'Decarbonising Kerala.'

The Minister will also present the energy conservation awards on the occasion.

The three-day event will feature technical sessions,

panel discussions, training programmes, the Kerala Students Energy Congress, competitions for students and exhibitions.

Till February 9

Antony Raju, MLA, will preside over the inaugural function. Additional Chief Secretary (Power) K.R. Jyothilal will deliver the keynote address.

The event will conclude on February 9. EMC director R. Harikumar and senior officials of the State Power department, Kerala State Electricity Board, and the Agency for New and Renewable Energy Research and Technology (ANERT) will be present.
